

2005 HYGAIN MASTERS

PACIFIC COAST HACK CHAMPIONSHIPS

Hawkesbury Showground 27/11/05

Show Report: Special appreciation goes to our four Interstate Judges Donna Button, Toni Harper-Purcell, Frank Thomson & David Ross; Stewards Felicity King, Jody Winning, Trich Korreris & Judy Chapman; Ringmaster Joe Charnock & Marshals John Kossieris & Peter Ryan & all our other helpers who managed to endure the worst of weather conditions to keep faith with those hardy competitors who braved the elements and went out and competed. I have to say that the attitude of all involved on the day was great which really helped a lot.

It was disappointing that conditions did not allow Garlands, Rugs etc. to be awarded in the Presentation Area. Despite this our Winners did have the opportunity to meet & speak with Hygain's National Sales Manager Mr Martin Connell who provided them with their terrific prize of Hygain Feed products. Others who also visited the Hygain Product Display were greatly impressed with the quality and range of their produce and products.

Reward Draw \$200 Hygain Products - Winner was Mastin Family
Winner of D.S.R. Made-To-Measure Bridle was Ms A. Sadnick, Duffys Forest
